

# SafeConnect Guest Access

1. Set your wireless to use LC Wireless and then open a web browser. You will be redirected to the page below.

## Welcome to the LCC Network

To set up network and Internet access, please choose your user type and login.

Student | Faculty | Staff

Join our secure wireless network with full network access.

New Guest

Request a guest account for Internet-only network access.

Returning Guest

Login to your existing guest account or request your password to be resent.

2. Click New Guest. You will be provided with the form below. Enter the requested information and click the "Continue" button.

## Guest Account Information

To access the network: "**Lewis & Clark Wifi Guest Account**" complete this form.

Login information will be sent including information on how to login to your account.

Guests who have previously had an account can [Click Here](#) to resend the guest account password.

## Request a Guest Account

Complete this form and then click "Continue".

Reason for Access (Required)

Email Address (Required)

Full Name (Required)

Mobile Phone Number (Required)

Select mobile service provider

Carrier (Required)

Standard messaging rates apply.

List all providers

Cancel

Continue

3. You will receive the page below. Also, a username and password will be both texted to you and sent to you via email, along with the date/time your account expires. Click “Continue”

## Your request has been approved.

An email was sent to [Provided Email Address] and a text message was sent to [Phone #] with your login information.

After receiving your user name and password, click Continue.

Continue

4. You will be sent to this page. Enter the Username and Password that was sent to you and click Submit. You should be connected to the Internet.
